

Eye Consultants OF PENNSYLVANIA, PC

Dear Olivia,

We are composing a collection of testimonials by patients who have had Laser Vision Correction with Dr. Altman. We kindly request that you write a few words to help others who are considering Laser Vision Correction understand what your experience has been with the procedure and with us. Please let me know if you do not want your name to appear with your testimonial. I have enclosed a self-addressed stamped envelope for your convenience.

Thank you.

Sincerely,

Lucy Bagdonis, COA

Comments:

The entire process was great. My options were explained well and I felt confident with my choice going into surgery. Dr. Altman, Lucy, & all the other nurses were kind and made me feel comfortable throughout the process. The recovery process took a little longer than expected but my vision is perfect now and my eyes feel great.
