Comments: *My prescription was -7.0 (R) and -7.5 (L). Dr. Primack's skill + competence has allowed me to have a glasses + contact free life! My vision is now 20/15 in both eyes! I have no dryness or halos at night! He is an excellent eye surgeon, has great attention to detail, and a wonderful "bedside manner." I will refer others to Dr. Primack without hesitation. Thank you to you + your fabulous team! An experienced advanced practice nurse of 29 years.*
